**ORDER APPROVING EMPLOYMENT OF AUCTIONEER**

On this day, the Court considered the **Trustee's Application for Employment of Auctioneer** [Docket No. 123] (the "Application") filed by Anne Elizabeth Burns as Chapter 7 Trustee (the "Trustee") on July 8, 2022, seeking approval of this Court to allow Rosen Systems, Inc. to serve as auctioneer for the Trustee, as more particularly set forth in the Application and Declaration on file in this matter. No notice of hearing on said Application need be given, and no objections have been filed. The Trustee and Rosen Systems, Inc. have represented to this Court that Rosen Systems, Inc. is on the U.S. Trustee's List of Bonded Auctioneers, does not hold or represent an interest adverse to the Debtor or the estate, is disinterested, and that its employment is in the best

interest of the estate. The Application establishes that the services of an auctioneer are necessary for the administration of this estate. It is therefore,

**ORDERED**, that the Trustee is authorized to employ Rosen Systems, Inc. as auctioneer pursuant to 11 U.S.C. § 327(a), with compensation to paid pursuant to 11 U.S.C. § 328, plus all fees payable subject to final application to and approval of this Court; and it is further,

**ORDERED**, that Rosen Systems, Inc. shall comply in all respects with N.D. TX L.B.R. 2016-1.

I, the above signed, am an independent contractor, and understand that I am responsible for all tax withholdings, FICA, and self-employment taxes due. I have specific control over the order and sequence of work performed, time completion and the hours worked. I am paid by job production or by completed job, but not by my time. Due to these factors, I realize that I have the opportunity for entrepreneurial profit and loss. I also understand that I will receive a 1099 so that I may file the proper self-employment forms due for Income Tax purposes at the end of the year. I also understand that I may be responsible for filing a quarterly estimate of Federal Taxes to cover self-employment income reported.<sup>1</sup>
